Learners must sign and date all work that they produce themselves. This is verifying that they have produced the submitted work.

Learners must also complete a Statement of Authenticity and include it in their portfolio.

Assessment of the award will be carried out by the course tutor (assessor) and verified by an Internal Verifier working at the centre. Assessment will be in the form of 2 'phase tests' and 2 possibly 3 written assignments, together with a portfolio of evidence covering the 'practical' exercises. All work will be moderated externally by an External Verifier appointed by the awarding body, ABC Awards.
