

Certificate in Textile Technology

(Technical Certificate)

Target Audience & Prerequisites

The Level 3 Certificate in Textile Technology has been designed to give candidates a good working knowledge of general textile technology. The flexible delivery of the training and content aligned more closely to individual company requirements reduces the amount of time away from the workplace (12 days at the Centre). The number of guided learning hours is normally around 220 with a credit value of 25.

Course Outline

To gain the Level 3 Certificate in Textile Technology, candidates must undertake assessments for BOTH core units (units 1 - 2) plus 1 unit from Option group A (units 3 - 15), plus the associated assignment. Candidates may also take units from option group B to enhance their knowledge and skills. A certificate of unit credit will be issued for any such unit achieved.
