

CoSHH Assessment

(Control of Substances Hazardous to Health)

Target Audience & Prerequisites

This course is suitable for employees, supervisors, team leaders, safety representatives and managers. Specifically the course is aimed at anyone that is about to undertake CoSHH assessments as required by the Control of Substances Hazardous to Health Regulations. There are no formal prerequisites for undertaking this course.

Course Outline

- Form of substances
- Chip regulations
- Classification of hazardous substances
- Health effects and routes of entry
- Requirements of CoSHH regulations
- Practical steps to CoSHH compliance
- CoSHH assessment
- Hierarchy of control measures
- Personal protective equipment
- Monitoring – air sampling
- Workplace exposure limits
- Health surveillance

This is a one day course and will be tailored to the needs of your organisation (e.g. utilising your in-company CoSHH assessment procedures and documentation).
